RESOLUTION No. 2081Pl.

Calcutta, the 4th November 1940.

To enable those living in this Province actively to assist in the maintenance of public order at this time, the Government of Bengal have, under the provisions of the Civic Guard Ordinance, 1940 (Ordinance No. VIII of 1940), constituted the civic guard organisation in this Province. The civic guard is a voluntary and non-official body whose membership is open to gentlemen of every caste and creed. Detailed rules laying down the statutory duties and powers of the civic guards have been published in the *Calcutta Gazette* for general information.

Government desire to take this opportunity of emphasising that much of the value of the civic guard organisation will be lost if the members of the civic guard or the public generally think that the organisation is only to function within the necessarily narrow limits of the statutory rules. It is hoped that the civic guard will develop into an efficient body of public-spirited persons who, even when not called out on duty, will give active support to all efforts made for the successful prosecution of the war and the defence of Bengal. In particular, it is desired that they will, by their influence, take every opportunity to promote communal harmony, prevent the spread of false rumours and dissemination of subversive literature, will help in the circulation of accurate war news and will at all times by calmness, discipline and courage be examples to their fellow citizens.

It is expected that every member of the civic guard will consider himself a servant of the public at all times, and be ready to help, without hope of reward, anybody who is found to be in distress or difficulty.

Ordered that this resolution be published in the *Calcutta Gazette* for general information and that the contents of it be brought to the notice of every member of the civic guard for his guidance.

By order of the Governor,

E. N. BLANDY,

Secy. to the Govt. of Bengal.

2. If at the time of the happening of any loss or damage the total value of the property insured shall exceed the sum insured under the policy, the Insured shall be considered as being his own insurer for the excess and shall bear a rateable share of the loss accordingly.

3. If at the time of the happening of any loss or damage there be any other insurance effected by or on behalf of the Insured covering any of the property suffering that loss or damage, the liability of the Governor General under the policy shall be limited to its rateable proportion of such loss or damage.

4. On the happening of any loss or damage the Insured shall forthwith give notice thereof in writing to the Agent, and shall within ten days after such loss or damage, or such further time as the Agent may in writing allow, at his own expense deliver to the Agent a claim in writing containing as particular an account as may be reasonably practicable of the several articles or portions of property suffering that loss or damage and of the amount of such loss or damage, having regard to their value at the time of the loss or damage, together with details of any other insurances on the property insured. The Insured shall also give to the Agent all such proofs and information with respect to the claim as may reasonably be required, together with (if demanded) a declaration, verified by an affidavit, of the truth of the claim and of any matters connected therewith. No claim under the policy shall be payable unless the terms of this condition have been complied with.

The Governor General shall not be bound to reinstate exactly or completely but only as circumstances permit and in reasonably sufficient manner and shall not in any case be bound to expend in respect of the property insured more than the sum insured thereon.

8. On the happening of any loss or damage in respect of which a claim is or may be made under the policy, the Agent and every person authorised by the Agent may, without thereby incurring any liability, and without diminishing the right of the Governor General to rely upon any conditions of the policy, enter, take or keep possession of the building or premises where the loss or damage has happened, and may take possession of or require to be delivered to them any of the property insured, and may keep possession of and deal with such property for all reasonable purposes and in any reasonable manner. This condition shall be evidence of the leave and licence of the Insured to the Governor General so to do. GOVERNMENT OF INDIA.

WAR RISKS (GOODS) INSURANCE ORDINANCE, 1940.

Instructions.

1. The Government of India have put into operation as from the 1st October 1940 the War Risks (Goods) Insurance Scheme whereby the Government undertake to insure certain Goods on land or on inland waters in British India against War Risks.

2. GOODS INSURABLE: The Ordinance defines the Goods to which the scheme applies; these include Goods (with certain exceptions) which are held for sale by persons carrying on business as sellers of goods, such as manufacturers, wholesale distributors, and retailers, including the raw materials from which goods are manufactured and goods in process of manufacture.

3. GOODS NOT INSURABLE: A list of Goods which cannot be insured under the scheme has been published in the Gazette. It includes growing crops, plants and trees; livestock; coal and coke; mineral oils; iron, manganese and other ores; iron and steel scrap; various classes of manufactured iron and steel; cement and lime; concrete products; various classes of manufactured stone; bricks, tiles, and slates; gold, silver and other precious metals; jewellery and precious and semi-precious stones; postage stamps; and objects of art or craftsmanship not less than 100 years old. Goods of any description which are not for sale are excluded by the Ordinance.

4. PROPERTY TO WHICH SCHEME DOES NOT APPLY: The Scheme does not apply to buildings, factory machinery and plant, and other forms of immovable property.

5. COMPULSORY INSURANCE: As from the 1st November 1940 any person carrying on business as a seller of goods must insure the whole of his goods which are insurable under this scheme for their full value if the value of such goods within one and the same Presidency Town or District exceeds Rs. 20,000. THE ORDINANCE PRESCRIBES HEAVY FINES FOR CONTRAVENTION.

6. HOW TO INSURE: The Application form overleaf should be completed and forwarded with a remittance for the premium to a Government Agent.

7. GOVERNMENT AGENTS: The Government of India have appointed certain Insurance Companies transacting Fire, Marine or Accident Insurance to act as Government Agents and issue policies under the scheme. If the Goods are insured against Fire with an Insurance Company it is strongly recommended that the War Risks (Goods) Insurance should be arranged through that Company. If this is not done there may be considerable delay in obtaining cover.

8. PERIOD OF INSURANCE: The maximum period for which a policy will be issued is three months. Policies issued on or after the 1st October will expire on the 31st December; those issued on or after the 1st January will expire on the 31st March; those issued on or after the 1st April will expire on the 30th June; and those issued on or after the 1st July will expire on the 30th September. No policy will be issued to expire on any intermediate date.

9. RATE OF PREMIUM: The present rate of premium is 1/32 per cent. (one half anna per hundred rupees) per month or part of a month.

10. CALCULATION OF PREMIUM: On insurances effected during the months of October, January, April, and July three months' premium will be payable, *i.e.*, 3/32 per cent. (one and a half annas per hundred rupees). On insurances effected during the months of November, February, May, and August two months' premium will be payable, *i.e.*, 2/32 per cent. (one anna per hundred rupees). On insurances effected during the months of December, March, June, and September one month's premium will be payable, *i.e.*, 1/32 per cent. 11. MINIMUM PREMIUM: The minimum premium for a policy issued for a period of one month or less is Rs. 5. For a policy issued for a period exceeding one month the minimum premium is Rs. 10.

12. VOLUNTARY INSURANCE: Any person carrying on business as a seller of goods whose stocks of goods insurable under this scheme within one and the same Presidency Town or District do not exceed Rs. 20,000 in value may insure under the scheme.

13. FLOATING POLICIES: In certain cases floating policies may be issued. Full details can be obtained on application to any Insurance Company appointed as Government Agent.

(*b*) If he is not an officer who draws his own pay bills, by written communication to the head of his office before he proceeds on leave or within a fortnight of the date on which he is suspended. Failure to make due and timely intimation shall be deemed to constitute an election to subscribe.

Provided that, if the pay of the subscriber does not exceed fifty rupees a month, the amount may be any multiple of a half-rupee.

(*iii*) the total amount of interest shall be rounded to the nearest anna:

Provided that when the amount standing at the credit of a subscriber has become payable, interest shall thereupon be credited under this sub-rule in respect only of the period from the beginning of the current year or from the date of deposit, as the case may be, up to the date on which the amount standing at the credit of the subscriber became payable.

(3) In this rule, the date of deposit shall, in the case of a recovery from pay bills, be deemed to be the first day of the month in which it is recovered: and in the case of an amount forwarded by the subscriber, shall be deemed to be the first day of the month of receipt, if it is received by the Account Officer before the fifth day of that month, but if it is received on or after the fifth day of that month, the first day of the next succeeding month.

(4) In addition to any amount to be paid under rule 13 or 14, interest thereon up to the end of the month preceding that in which the payment is made, or up to the end of the sixth month after the month in which such amount became payable, whichever of these periods be less, shall be payable to the person to whom such amount is to be paid:

Provided that where the Account Officer has intimated to that person (or his agent) a date on which he is prepared to make payment in cash, or has posted a cheque in payment to that person, interest shall be payable only up to the end of the month preceding the date so intimated, or the date of posting the cheque as the case may be.

(*b*) on the expiry of twelve months from the date on which the present war is declared to have terminated, whichever is earlier:

Provided that the said amount shall not become payable under clause (*b*) unless the subscriber has, at any time during the six months immediately following the said date on which the war is declared to have terminated, intimated in writing,

(*i*) if he is an officer who draws his own pay bills, to the Account Officer,

(*ii*) if he is not an officer who draws his own pay bills, to the head of the office in which he is serving,

his intention to claim payment of the amount under that clause. The option of the subscriber intimated under this rule shall be final.

(*b*) if no such nomination in favour of a member or members of the family of the subscriber subsists, or if such nomination relates only to a part of the amount standing to his credit in the Fund, the whole amount or the part thereof to which the nomination does not relate, as the case may be, shall, notwithstanding any nomination purporting to be in favour of any person or persons other than a member or members of his family, become payable to the members of his family in equal shares:

STATEMENT OF OBJECTS AND REASONS.

The taxation contemplated in this Bill represents the taxation foreshadowed in the closing paragraph of my Budget Speech. The present resources of the Government of Bengal are not sufficient to enable them to maintain the natural development of the programme of nation-building activities already in progress, and, for the purpose of financing the further beneficent schemes for the economic improvement of the province for which there have been insistent demands in this House and which the Ministry feel cannot be postponed, additional revenues are essential.

[*Cf.* Bom. Act V of 1939, s. 25(*3*) and Ben. Act X of 1935, s. 11(*3*).]

STATEMENT OF OBJECTS AND REASONS.

1. The object of the Bill is to levy a tax of one anna and six pies per gallon on the retail sales of petrol and a tax of pies six per gallon on the retail sales of motor spirit other than petrol.

2. Between 1931-32 and 1937-38 Bengal was not able to spend in full the amounts allocated annually to this Province out of the Central Road Fund. The result was that there was a considerable accumulation to our credit in the Road Fund. Since 1938-39 the annual expenditure on new road construction debitable to the Road Fund has exceeded the annual allotment very considerably. The amount of work likely to be debited annually to the Road Fund Account so long as the balance lasts is not less than Rs. 30 lakhs while Bengal's receipts from the Road Fund will probably not exceed Rs. 18 lakhs a year. Expenditure on this scale will exhaust the accumulation of the past by 1942 and unless steps are taken to make some Rs. 12 lakhs available annually from provincial revenues, the Department of Communications and Works will have to restrict their programme of new construction drastically.

It is the intention of Government to use the proceeds of the tax contemplated in the Bill to supplement the annual receipts from the Road Fund in order that the present scale of expenditure on new construction may be maintained.

NOTIFICATION.

No. 1118L.—5th November 1940.—The Governor having been pleased to order, under rule 47 of the Bengal Legislative Assembly Procedure Rules the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information.

THE BENGAL LOCAL AUTHORITIES CENSUS EXPENSES CONTRIBUTION BILL, 1940.

A

BILL

to provide for the contribution by certain local authorities to census expenses.

WHEREAS it is expedient to make provision for the contribution by certain local authorities of a portion of the expenses incurred or to be incurred in connection with the census of British India to be taken during the year 1941.

It is hereby enacted as follows :—

Short title and extent.

1. (*1*) This Act may be called the Bengal Local Authorities Census Expenses Contribution Act, 1940.

(*2*) It extends to the whole of Bengal.

Definitions.

2. In this Act—

(*a*) "census" means the census of British India to be taken during the year 1941 ;

(*b*) "prescribed" means prescribed by rules made under this Act.

Contributions by municipalities having a population of 5,000 persons or over.

3. Notwithstanding anything contained in any enactment or rule in regard to municipal funds, the Provincial Government may direct that such portion as may be prescribed of the expenses (incurred whether before or after the commencement of this Act) connected with the taking of the census in any municipal area having a population of 5,000 persons or over shall be charged to the municipal fund constituted for, and on behalf of, that area ; and the sums to be so charged shall be computed and paid in the prescribed manner :

Provided that the portion of such expenses which may be charged to the municipal fund of the Corporation of Calcutta shall not exceed one-half.

Contributions by Union Boards and by municipalities having a population of less than 5,000 persons.

4. Notwithstanding anything contained in any enactment or rule in regard to municipal or union funds, the Municipal Commissioners of any municipality having a population of less than 5,000 persons, or any Union Board may spend any sum not exceeding ten rupees out of the municipal fund or the union fund, as the case may be, to meet the expenses incurred in connection with the taking of the census in the area for and on behalf of which the fund is constituted.

Contributions by District Boards.

5. Notwithstanding anything contained in the foregoing sections or in any enactment or rule in regard to local or union funds, any District Board may, if it thinks fit, direct that any portion of the grant which it makes to any Union Board within its area shall be spent in meeting any expenses incurred in connection with the taking of the census within the union.

Power to make rules.

6. (*1*) The Provincial Government may make rules to carry out the purposes of this Act.

(*2*) In particular, and without prejudice to the generality of the foregoing power, such rules may provide for all or any of the following matters, namely :—

(*a*) the portion of the expenses connected with the taking of the census which may be charged under this Act to municipal funds ;

(*b*) the manner in which sums charged under this Act shall be computed and paid ;

(*c*) any other matter for which there is no provision or insufficient provision in this Act and for which provision is, in the opinion of the Provincial Government, necessary for giving effect to the purposes of this Act.

STATEMENT OF OBJECTS AND REASONS.

At the request of the Government of India, the Government of Bengal agreed to co-operate with that Government in census work subject to the observance of the same principles as in the 1931-census.

In the 1931-census, the Government of Bengal, by notifications under section 14 of the Indian Census Act, 1929 (corresponding to section 15 of the Indian Census Act, 1939), directed the Calcutta Corporation and other municipalities to bear certain expenses incurred in connection with that census. The assurance given in regard to the ensuing census means that this assistance should be continued.

2. In view of the altered constitutional position, section 15 of the Indian Census Act, 1939, does not authorise the Provincial Government to issue notifications, as they had done in the past under similar provisions of the previous census Acts, directing municipalities, etc., in the Province, except municipalities in Central areas and cantonments, to pay contributions, and, consequently, special provincial legislation is necessary for the purpose.

3. The Bill has been prepared accordingly to provide for contributions by certain local authorities of a portion of the expenses incurred or to be incurred in connection with the forthcoming census.

4. Another object of the Bill is to provide for powers to enable Union Boards and municipalities having a population of less than 5,000 persons to spend, out of the union or municipal funds, as the case may be, any sum not exceeding ten rupees to meet petty expenses that may be incurred in connection with the taking of the census; and at the same time to permit any District Board to earmark any portion of the grant which it makes to any Union Board within its area in case the Union Board's own funds are found insufficient for the purpose. The expenditure will be voluntary and will be mostly concerned with the relief of enumerators who are an unpaid agency from various out-of-pocket expenses, such as ink and paper and perhaps in some cases boat-hire. No contribution will be exacted from these bodies for the relief of the census budget of the Central Government.

NOTIFICATION.

No. 1119L.—5th November 1940.—The Governor having been pleased to order, under rule 47 of the Bengal Legislative Assembly Procedure Rules the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information.

THE BENGAL LEGISLATURE REMOVAL) OF DISQUALIFICATIONS AMENDMENT) BILL, 1940.

A

BILL

temporarily to amend the Bengal Legislature (Removal of Disqualifications) Act, 1937.

WHEREAS it is expedient temporarily to amend the Bengal Legislature (Removal of Disqualifications) Act, 1937 for the purpose and in the manner hereinafter appearing; Ben. Act III of 1937.

It is hereby enacted as follows :—

Short title and duration.

1. (*1*) This Act may be called the Bengal Legislature (Removal of Disqualifications Amendment) Act, 1940.

(*2*) It shall be in force during the continuance of the present war and for a period of twelve months thereafter.

Temporary amendment of Bengal Act III of 1937.

2. While this Act is in force, section 2 of the Bengal Legislature (Removal of Disqualifications) Act, 1937 shall have effect as if after clause (*c*) of the said section the following clause had been added, namely :—

"(*d*) an office in any of His Majesty's naval, military or air forces in India, or an office under the Central Government, connected with the equipment or administration of any of those forces or otherwise connected with the defence of India, provided that this clause shall not apply in the case of any person who has, since the 2nd day of September, 1939, been continuously in whole-time service of the Crown in India."

STATEMENT OF OBJECTS AND REASONS.

By virtue of the provision of clause (*b*) of section 2 of the Bengal Legislature (Removal of Disqualifications) Act, 1937 a person is not debarred from becoming or being a member of either Chamber of the Bengal Legislature by reason only of the fact that as a part-time member of any of His Majesty's Naval, Military or Air Forces, he holds an office of profit under the Crown in India. When however such a member of the legislature holds such an office as a full-time member of any of such forces, he is disqualified for being a member and his seat in the legislature falls vacant automatically. The object of this amending Bill is to enable a person to render full-time service in any of the forces referred to without incurring any disqualification under section 69 (*1*) (*a*) of the Government of India Act, 1935, for being chosen as or for being a member of either Chamber of the Bengal Legislature until the termination of the present state of war. It excludes from its operation persons who have been continuously in whole-time service of the Crown in India since the 2nd September 1939, *i.e.*, the date before the outbreak of the present war.

No. 1124L.—6th November, 1940.—The Governor having been pleased to order, under rule 47 of the Bengal Legislative Assembly Procedure Rules, the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information.

THE OFFICIAL TRUSTEES (BENGAL AMENDMENT) BILL, 1941.

A

BILL

further to amend the Official Trustees Act, 1913, in its application to Bengal.

WHEREAS it is expedient further to amend the Official Trustees Act, 1913, in its application to Bengal, in the manner hereinafter appearing ; II of 1913.

It is hereby enacted as follows :—

Short title.

1. This Act may be called the Official Trustees (Bengal Amendment) Act, 1941.

Application of Act.

2. The Official Trustees Act, 1913 shall, in its application to Bengal, be amended in the manner hereinafter provided.

Insertion of new section 14A.

3. After section 14 of the Official Trustees Act, 1913 (hereinafter referred to as the said Act) the following section shall be inserted, namely :—

"14A. The Official Trustee for Bengal may, whenever he desires, for the purposes of this Act, to satisfy himself regarding any question of fact, examine upon oath (which he is hereby authorised to administer) any person who is willing to be examined by him regarding such question". [*Cf.* Act III of 1913, s. 30.]

Power to examine on oath.

Insertion of new section 30A.

4. After section 30 of the said Act, the following section shall be inserted, namely :—

"30A. Whoever, during any examination authorised by this Act, makes upon oath a statement which is false and which he either knows or believes to be false or does not believe to be true, shall be deemed to have intentionally given false evidence in a stage of a judicial proceeding". [*Cf.* Act III of 1913, s. 51.]

False evidence.

STATEMENT OF OBJECTS AND REASONS.

The power to examine witnesses on oath contained in section 30 of the Administrator General's Act has been found extremely useful by the Administrator General in connection with sworn statements substantiating the claims of creditors against Estates and with regard to particulars of persons entitled as next of kin, also in certificate cases under sections 31 and 32 of that Act.

The Official Trustee when appointed the sole Executor and sole Trustee under a deceased person's Will, is very often in the same position as the Administrator General is when administering Estates. It is accordingly proposed to give the Official Trustee for Bengal similar powers to examine witnesses on oath.

1. *Settlement of produce rents.*

1. For each village the Settlement Officer shall determine—

(*i*) the average outturn of crops in maunds per acre by crop-cutting experiments, and

(*ii*) a maximum rate of produce rent in maunds per acre on the basis of the average outturn determined under clause (*i*) of this rule according to a scale approved by the Director of Land Records and Surveys, Bengal:

Provided that, in determining the maximum rate of produce rent, six maunds of the average yield per acre shall be excluded from the average outturn as representing the cost of cultivation, and of the remainder two-thirds shall go to the tenant as his share and one-third to the landlord as the quantity of produce rent payable to him.

2. When the Settlement Officer has determined the average outturn and the maximum rate for a village under rule 1 above, he shall cause the figures relating thereto to be published in the manner laid down in rule 54 of the rules framed by the Provincial Government under sections 39(7) and 189 of the Bengal Tenancy Act, 1885, and published under notification No. 5462L.R., dated the 26th March 1929.

3. Any person objecting to the outturn and the rate of produce rent determined under rule 1 may, within the period of publication under rule 2, present a petition to the Settlement Officer or a Revenue-officer authorised by him and the Settlement Officer or a Revenue-officer authorised by him shall consider any such objection and may alter or amend the outturn or rate of produce rent or both previously determined under rule 1.

4. The Settlement Officer shall prepare a rent roll for produce rents in each village. If any existing rent is such that the rate per acre is higher than the village maximum rate determined under rule 1, it shall be reduced per acre to the maximum rate; if the rent is such that the rate per acre is equal to, or less than, the village maximum rate determined under rule 1, the existing rent shall be entered in the rent roll.

5. The draft rent roll shall be published in the manner laid down in rule 54 of the rules framed by the Provincial Government under sections 39(7) and 189 of the Bengal Tenancy Act, 1885, and published under notification No. 5462L.R., dated the 26th March 1929.

6. (*i*) Any objection to any entry in the draft rent roll or any omission therefrom may be made within the period of publication and shall be disposed of in the manner laid down in section 104E of the Bengal Tenancy Act, 1885.

(*ii*) A Revenue-officer may, of his own motion, or on the application of any party aggrieved, if he is satisfied that the application of the average outturn will result in the settlement of a rent which is not fair or equitable, take for a particular tenancy an average outturn less than the average outturn for the village determined under rule 1 and calculate for this particular tenancy the maximum rate in the manner laid down in that rule. Such an order shall be in writing, shall state the grounds for not adopting the average outturn for the village determined under rule 1, and shall also state the average outturn which is adopted.

(*iii*) An appeal, if presented within two months from the date of the order appealed against, shall lie from every order passed by a Revenue-officer prior to the final publication of the record-of-rights under clauses (*i*) and (*ii*) of this rule.

7. The method of assessment laid down in these rules shall apply to all settlements of produce rents made during fifteen years from the date of the commencement of this Regulation.

II. *Determination of Salami.*

1. When the Settlement Officer has determined for each village—

(*a*) the average gross outturn of crop in maunds per acre, and

(*b*) a maximum rate of produce rent,

he shall proceed to determine for the village a rate of *salami* per acre calculated at one-half of the average annual gross outturn or its equivalent in money calculated at the average prices during the immediately preceding decennial period:

Provided that if in the opinion of the Settlement Officer it is not practicable to take the immediately preceding decennial period or its taking would lead to an unfair result, he may in his discretion substitute any shorter period or any other decennial period therefor.

2. The rate of *salami* determined under rule 1 shall be published and objections or appeals against the rate of *salami* so determined shall be filed in the same manner and at the same time as prescribed for settlement of rents.

3. (*1*) The Revenue-officer shall record for each produce-paying tenancy the amount of *salami* to be paid to the landlord. The *salami* shall be payable in nine equal annual instalments. In case, however, a tenant elects to pay two or more instalments of the *salami* in one lump sum, a deduction may be made by him as rebate of an amount equivalent to the interest on such advance payment of instalments at the rate of three and a half *per centum* per annum for the period in respect of which such advance payment is made:

Provided that no *salami* shall be payable—

(*a*) where the land has been reclaimed by the present occupier or his predecessor in interest, the burden of proof being on the landlord to show that the land was not so reclaimed;

(*b*) where the present occupier or his predecessor in interest was recorded as a tenant for the land at the previous District Settlement;

(*bb*) where the land is in continuous possession of the same tenant or of his predecessor in interest for a period of twelve years or more;

(*c*) where a cash-paying tenancy has been converted into a produce-paying tenancy since the District Settlement; and

(*d*) where *salami* has already been paid.

(*2*) Where the Revenue-officer decides that no *salami* is payable, he shall record an order in writing to that effect, with a summary of the evidence on which he bases his decision.

(*3*) An appeal shall lie against any order made under the proviso to clause (*l*) of this rule that no *salami* is payable, and the provisions of rule 2 shall apply to every such appeal.

(*ii*) Babu Jogendra Nath Roy.

5. That the scrutiny of the nomination papers of the candidates for election as a member of the Bengal Legislative Council from the said constituency was held on the 26th day of January 1940 and in the final list of candidates published in the *Calcutta Gazette Extraordinary* of the 3rd February 1940 a notification No. 177 A.R. of that date was issued publishing for general information the declaration by the Returning Officer of the 27th day of January 1940 of the final list of candidates for the Burdwan Division North-East (Rural) General Constituency of the Bengal Legislative Council in which the names of the said candidates, namely, (*i*) Babu Jitendra Lal Banerji (since deceased) and (*ii*) Babu Jogendra Lal Roy were mentioned and the 16th day of March 1940 was fixed as the day for taking the poll.

8. That as a result of the news of death of the said Jitendra Lal Banerji many electors who would otherwise have voted for the said Jitendra Lal Banerji in the said election did not exercise their franchise and/or could not exercise their franchise in favour of the person of their choice.

9. That in spite of the fact of the death of the said Jitendra Lal Banerji before the commencement of the poll and in spite of the knowledge of the fact of such death of the said Polling Officers and the said Returning Officer as aforesaid the poll was not countermanded and proceedings with reference to the said election were not commenced anew in all respects as if for a new election as required by the rules, laws and order.

10. That in the premises aforesaid the said purported election has become invalid and null and void and infructuous and should be set aside and a new election should be ordered.

11. That the said Jogendra Nath Roy was declared to be duly elected to fill the seat in the Burdwan Division North-East (Rural) General Constituency.

12. That in the *Calcutta Gazette* of the 9th day of May 1940 the Returning Officer of the said constituency published a notice, dated the 30th day of April 1940, that the said candidate Rai Sahib Jogendra Nath Roy who was declared on the 21st day of March 1940 as duly elected has lodged his return of election expenses and declarations on the 24th day of April 1940.

13. That your petitioner states that the purported election of the Respondent Rai Sahib Jogendra Nath Roy is null and void and is liable to be set aside as the said other candidate Jitendra Lal Banerji died after the scrutiny of the nomination papers of the said candidates for election to the Bengal Legislative Council from the said constituency and before the polling therefor commenced on the 16th day of March 1940 at 10 a.m.

14. That your petitioner has deposited as security for the costs of this petition a sum of Rupees One thousand in the Government Treasury at Darjeeling and the Government Treasury receipt (challan) showing that the said deposit has been made is enclosed herewith.

15. That the aforesaid failure of the said Returning Officer to countermand the said poll was and is contrary to law and in breach of the obligation imposed on him by the Government of India Act and the rules and orders made thereunder and the said failure has seriously interfered with the proper exercise of the right of franchise of your petitioner and of other electors of the said constituency and has deprived him and them of the right to elect a proper person to fill the said vacancy by a proper regular and valid election.

Your petitioner therefore humbly prays—

(*a*) that Your Excellency may be pleased to admit this petition and to direct that this petition be enquired into by Commissioners duly appointed;

(*b*) that the entire proceedings in respect of the said election resulting in and including the purported return and the purported election of the Respondent Rai Sahib Jogendra Nath Roy be declared null and void and/or set aside;

(*c*) that a fresh and new election be ordered to be held in the said constituency;

(*d*) that the costs of and incidental to this petition be awarded to your petitioner; and

(*e*) that such further or other relief may be granted to your petitioner as may be deemed fit and proper.

And your petitioner as in duty bound shall ever pray.

The Bengal Engineering College and the Ahsanullah School of Engineering, Dacca.

2. Each examination is complete in itself. A candidate will be required to pass by every test and will not be exempted from any test on the ground that he has previously satisfied the examiner in it.

3. (*1*) No candidate will be admitted to the Class II Examination unless he has been enrolled as a pleader and—

(*i*) has obtained credit for attendance at the special course of instruction for Class II candidates at the Bengal Engineering College, or Dacca, in 1937, 1938, 1939 or 1940 and not previously appeared at the examination more than twice, or

(*iii*) has passed the Sub-Overseer Examination, or

Act I of 1931 is, consequently, now spent and its formal removal from the Statute-book is here effected.

The Indian Tea Control Act, 1933.—The Act was of limited duration and ceased to be in force on the 31st day of March, 1938. Its formal removal from the Statute-book is here effected.

The Indian Wireless Telegraphy Act, 1933.—The Government of India (Adaptation of Indian Laws) Order, 1937, directed that section 9 of the Act should cease to have effect. The section is now formally repealed, along with clause (*vi*) of section 10 (*2*) which exists only for the purposes of section 9.

The Salt (Additional Import Duty Extending) Act, 1936, the Indian Aircraft (Amendment) Act, 1936, the Factories (Amendment) Act, 1936, the Indian Lac Cess (Amendment) Act, 1936, the Indian Tariff (Amendment) Act, 1936, the Indian Mines (Amendment) Act, 1936, the Indian Tariff (Second Amendment) Act, 1936, the Indian Tea Cess (Amendment) Act, 1936, the Indian Rubber Control (Amendment) Act, 1936, the Indian Tea Control (Amendment) Act, 1936, the General Clauses (Amendment) Act, 1936, the Chittagong Port (Amendment) Act, 1936, the Code of Civil Procedure (Amendment) Act, 1936, and the Cantonments (Amendment) Act, 1936.—These Acts are of a purely amending nature and by virtue of section 6A of the General Clauses Act, 1897, can now be removed from the Statute-book.

The Cochin Port Act, 1936.—The Government of India (Adaptation of Indian Laws) Order, 1937, directed that this Act should cease to have effect. It is now formally repealed.

The Indian Finance Act, 1936.—Portions of the Act which are now spent are repealed.

The Bombay City Sanitary Regulation Act, 1867.—The provisions of the Act have been superseded by subsequent legislation, and the Act is no longer required by the Provincial Government. The subject-matter of the Act falls partly within List I and partly within List II of the Legislative Lists in the Seventh Schedule to the Government of India Act, 1935. To repeal the Act in its entirety requires joint action by the Central and the Provincial Legislatures.

The Andaman and Nicobar Islands Land-tenure (Amendment) Regulation, 1936, the Sind Laws (Amendment) Regulation, 1936, the Sind Laws (Second Amendment) Regulation, 1936, the Orissa Laws (Amendment) Regulation, 1936, and the British Baluchistan Laws (Amendment) Regulation, 1936.—These Regulations are of a purely amending nature, and by virtue of section 6A of the General Clauses Act, 1897, can now be removed from the Statute-book.

THE SECOND SCHEDULE.

The General Clauses Act, 1897.—The definition of "Indian State" reproduced that contained in section 311 (1) of the Government of India Act, 1935. The latter was amended by the Statute 3 and 4 Geo. 6, Ch. 5. The amended definition is accordingly substituted hereby in the General Clauses Act, 1897.

The Indian Registration Act, 1908.—The alteration in wording removes the possibility of a misinterpretation which might give rise to an apparent contradiction between sub-section (*1*) and sub-section (*2*) of section 29 of the Act.

The Indian Electricity Act, 1910.—By an amendment made by the Fourth Schedule of the Arbitration Act, 1940 (X of 1940), references to the Indian Arbitration Act, 1899, were altered to references to the Act of 1940. The word "Indian" however by oversight was allowed to remain.

The Administrator General's Act, 1913.—An oversight, which occurred when the Act was amended by the Government of India (Adaptation of Indian Laws) Order, 1937, is rectified.

The Indian Companies Act, 1913.—

For the amendments made in section 152—see note on the Indian Electricity Act, 1910, above.

The alteration made in section 208C is consequential on the replacement of the Indian Arbitration Act, 1899, by the Arbitration Act, 1940.

The Delhi University Act, 1922.—The alteration made is consequential on the replacement of the Provident Funds Act, 1897, by the Provident Funds Act, 1925.

The Cantonments (House-Accommodation) Act, 1923.—An oversight, which occurred when the Act was amended in 1925 by Act X of 1925, is rectified.

The Indian Cotton Cess Act, 1923.—An error, which arose when section 4 was amended by Act XXXIV of 1939, is rectified.

The Cantonments Act, 1924.—Two clerical errors are corrected.

The Arbitration (Protocol and Convention) Act, 1937.—The alteration made is consequential on the replacement of the Indian Arbitration Act, 1899, by the Arbitration Act, 1940.

The Hindu Women's Rights to Property Act, 1937, and the Arya Marriage Validation Act, 1937.—The words omitted became inept when sections 95 (2), 92 (1) and 46 (2) of the Government of India Act, 1935, came into operation on the 1st day of April, 1937.

The British Baluchistan Laws Regulation, 1913, and the British Baluchistan Criminal and Civil Justice and Laws Extension Regulation, 1939.—A mistake introduced into the first named Regulation by an amendment made in it by the second named Regulation is corrected in both Regulations.
